## I N T R O D U C T I O N

**Butterfly Home by Matthew Williamson's** AW16 collection celebrates the Arts and Crafts movement with refined historic prints and turn-of-the-century inspired symmetry. Pineapples, peacocks, patchwork layering, beautifully beaded cushions and exotic birds complete the design-savvy look.

**J by Jasper Conran's** collection embraces his signature contemporary style. Elegant, refined and understated, the collection features Scandi silhouettes, texture and geometric weave. Reverse contrast cushions add an accent of colour, whilst marble and wood are key elements in the kitchen.

**RJR. John Rocha's** new collection balances strength and beauty, texture and colour, organic shapes and clean lines. Blurred photographic and watercolour prints with embroidery, rustic stripes and hammered metal bring a relaxed elegance to the home.

A fabulously decadent story, **Star by Julien Macdonald** offers a glamorous statement in the home. Deco inspired patterns, embellishment, mirror, lace detailing, irregular facets and fine lines are seen throughout. For the ultimate in glamorous entertaining, try the stunning gold barware collection.

Inject a sense of humour into your home with **Ben de Lisi's** fresh take on graphics, print and eclectic typography. Hand drawn animal illustrations and stylized figurative ornaments, colour blocking, simple geometrics and upbeat slogans build this modern and youthful look for a trend-driven interior.

Ever the centrepiece, **Abigail Ahern's Edition** collection for AW16 continues on its African journey; embracing bold colours and tribal marks. Sculptural animal accessories, quirky metal objects and textural appliqué cushions form an impactful statement.

**At Home with Ashley Thomas** takes us into the beautiful British woods. Think charming woodland creatures, patchwork, quilting and botanical prints. The range is full of intricate detail and moody autumnal colours in mix-and-match patterns.

Hero trend **Cosmopolitan** offers a soft look for the home. Dreamy slogan prints, spots, stripes and hearts are key looks, all in a gorgeous colour palette of pastel pinks and mint with gold accents.
